To comply with the Yukon Wildlife Act, we must receive clients full name, address, phone number and licensing information within 7 days of trophy delivery.

A 33 % deposit of the estimated cost is required before taxidermy work will begin. Final payment is to be made with a certified cheque or a Visa or Master Card credit card.

Freight and customs fees are not included.

Most items will be completed between 6 and 12 month from date of deposit.

2 % interest will be charged on accounts over 60 days and trophies may be subject to storage fees.

Quotes are valid for 60 days.

We cannot be held responsible for hair slippage. Improper field care is the main contributing factor to hair slippage and the condition of the skin can sometimes not be determined until it has been tanned.
