

Expediting

Crating prices include receiving, administrating and tagging of trophies, checking over for problems, re-salting & drying capes & hides. All trophies will be custom crated with plywood and 2x2 bracing. Fee does not include extra cleaning or bleaching of skulls, unless stated, or any extra skinning or fleshing of capes or hides. Please note that CITES and/or Yukon Export permits, freight charges and custom fees are not included.

For multiple trophies and or several clients' trophies to be crated together- base price for "first trophy" will be calculated on the largest item and all others added and calculated under "additional trophies".

TERMS OF SERVICE

To comply with the Yukon Wildlife Act, we must receive client's full name, address, phone number and licensing information within 7 days of trophy delivery.

A 30-50 % deposit of the estimated cost is required before taxidermy work will begin. Final payment is to be made with a certified cheque or a Visa or Master Card credit card.

Quotes are valid for 60 days.

Most standard items will be completed between 6 and 12 month **from date of deposit**.

A late payment charge of 2 % per month (26.8% per annum) will be charged when payment has not been received within 60 days of statement date. Trophies will be subject to storage fees. Abandoned items will be sold to recover costs. Canceled work orders will be charged a 10 % cancellation fee.

We cannot be held responsible for hair slippage. Improper field care is the main contributing factor to hair slippage and the condition of the skin can sometimes not be determined until the tanning process has begun.
